ARIZONA PILARES

TUCSON, AZ 2026

Keep the Wildcat Rewards Minimum at 670

44.0% of customers below 670 owe more than twice their annual income, versus 16.3% at 670 and above.l

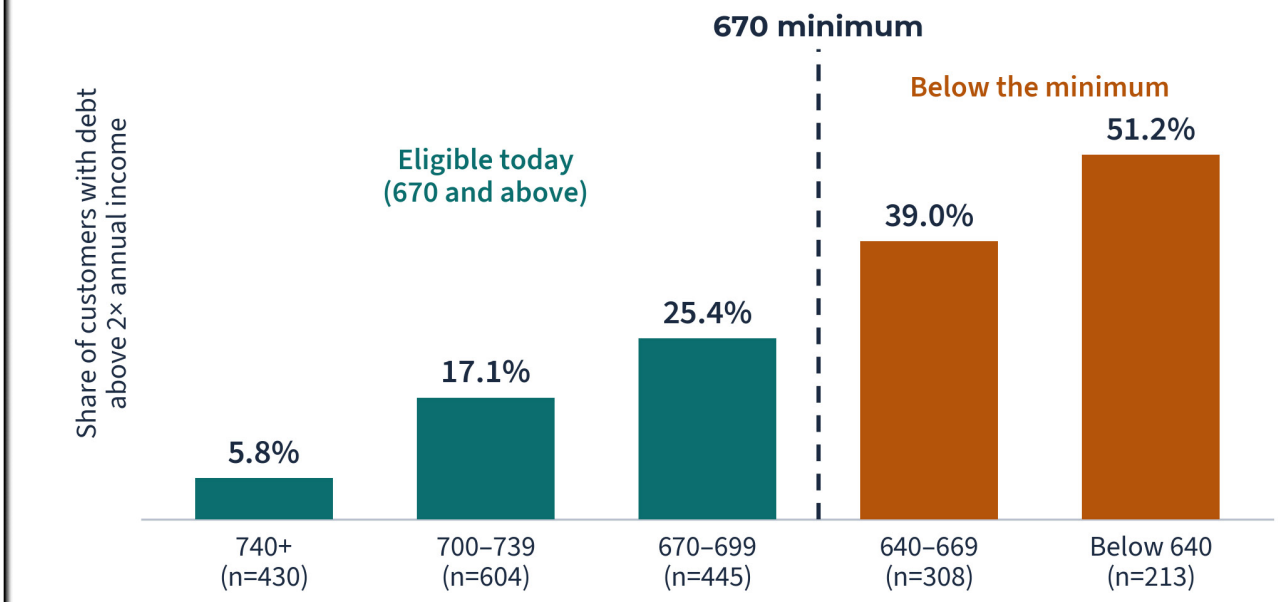

44.0%

Of the 521 customers below 670 owe more than 2x annual income

16.3%

Of the 1479 customers at 670 and above owe more than 2x their annual income

Heavy debt rises as FICO falls

Based on all 2000 customers. Heavy debt means total debt 2x yearly income. The extract has no delinquency or default data, so this is a leverage signal, not a loss rate

What lowering the minimum would add

Lower the minimum to	Customers added	Of those, debt above 2× income
660	119	45 (37.8%)
650	240	90 (37.5%)
640	308	120 (39.0%)
